FROM : J. Kenneth McDonald
Chief, History Staff

SUBJECT : Historian's position

1. The selection process for our historian's position took longer than I expected. We have made our choice, however, and I am sorry to report that we cannot offer you a place with us.

2. I was glad to have a chance to become acquainted with you and your work. I'll enclose the copies you lent us of your Sorbonne thesis, the two OCR drafts and the IAD paper, all of which we read with considerable interest.

3. I do thank you for your interest in our work.
